

# Garden Design

## Karen Sutherland

The Friends of the Melton Botanic Garden February Meeting features Karen Sutherland owner of Edible Eden Design, an FMBG Corporate Member and sponsor of the Melton Botanic Garden Bushfoods Garden. Karen designs home gardens, school gardens and she designed the William Angliss Institute Indigenous Culinary Garden.

Learn how to design or improve your garden. Karen uses sustainable principles that result in a garden that is both beautiful and productive. Whether you have a small courtyard or a larger block Karen will show you how to use both exotic and native plants to create a garden and connect with nature in your own backyard.

Karen draws on her 35 years of training and experience of bushfoods, sustainable gardening and landscaping in Melbourne and Victoria that is sure to inspire you.

Karen will have items and plants for sale - cash or credit card payment

Meeting raffle \$1/ticket.
