

Friends of the Melton Botanic Garden invites you to the
Monthly Meeting 7.30pm Wed 10 July 2024

Tree Management from Purchase to Maturity with Jason Summers from Remarkable Trees

Know what formative pruning is? What is bifurcation? Or you may have your own tree questions. Come along to find out how to select a suitable tree and manage it from planting to maturity.

Jason is the manager and owner of Remarkable Trees near Toolern Vale. Jason is an arborist. Remarkable Trees grows, supplies, and installs trees for Councils, housing developments, and businesses. We have some Remarkable Trees in the Botanic Garden.

He is on the National Council for the Australian Institute of Horticulture. Jason undertook a North American Study Tour after receiving the Greg Maddock Memorial Scholarship from Parks & Leisure Australia to travel to the ISA Conference in Toronto.
